Storage of Plaster Study Models
Do you store plaster study models (either on-site or off-site)?
- No, my records are entirely digital.
- Yes, but only for older cases from the pre-digital era; more recent records are digital.
- Yes, I maintain them for the time required by my state dental board.
- Yes, I keep my plaster models indefinitely.
- Other (please explain):

Searchable Online Archive
Subscribers to the print journal have access to all articles online. The Online Archive includes virtually every JCO article from 1967 to the current issue. Online-only subscriptions are available, including access to the complete Online Archive. Non-subscribers can enter the archive by paying a 24-hour or 30-day fee. New: Also available is a single-article-purchase option.

Continuing Education
Users can earn C.E. credits online with payment by VISA or MasterCard. Certificates are immediately available for downloading and printing.

Product News
New products and services featured in each print issue are available online in a searchable data base.

Online Forum
Users can join in threaded discussions of clinical and management topics of interest to orthodontists. Replies are posted instantly.

Online Classifieds
Classified ads are posted within days of receipt. E-mail and website links are posted at no extra charge.
