

## PRODUCT NEWS

### Miniature Twin Bracket

The low-profile MiniPrevail miniature twin brackets offer the superior control and ease of ligation typical of larger brackets, according to the manufacturer. The brackets are manufactured from a micro-grain stainless steel MIM powder suitable for small, robust, and dimensionally accurate appliances. MBT and Roth prescriptions are available; Roth brackets feature an optional vertical slot for various auxiliaries.

For more information, contact G&H Orthodontics, 2165 Earlywood Drive, Franklin, IN 46131. (800) 526-1026; [www.ghortho.com](http://www.ghortho.com).

### Impression Material

Image Dust-Free Alginate, priced at about half the cost of other brands, is a high-quality, biodegradable impression material that creates a smooth, glass-like surface for detailed impressions and models, according to the manufacturer. The green, mint-scented alginate, available in two- or three-minute setting times, is designed to provide 100 hours of dimensional stability when sealed in a plastic bag.

For more information, contact Dux Dental, 600 E. Hueneme Road, Oxnard, CA 93033. (800) 833-8267; [www.duxdental.com](http://www.duxdental.com).

### Online Ordering

Ortho Classic has launched an online store where the company's entire product line can be ordered using a computer or a mobile device. Features of the site include part-number lookup, related-product suggestions, and sortable information tables. Free domestic shipping is offered on orders of \$250 or more.

For more information, contact Ortho Classic, 1300 N.E. Alpha Drive, McMinnville, OR 97128. (866) 752-0065; [www.orthoclassic.com](http://www.orthoclassic.com).

### Soap Dispenser

The touch-free Omnicare Bag-on-Valve Instant Foam soap dispenser delivers a precise amount of soap for hand washing, providing as many as 2,000 washes per cartridge, according to the manufacturer. Each recyclable cartridge includes a new nozzle and valve, snaps in easily to the wall unit, and empties completely to minimize waste. Features include on/off, low-battery, and low-soap indicators, along with customizable soap-volume settings.

For more information, contact Mydent International, 80 Suffolk Court, Hauppauge, NY 11788. (800) 275-0020; [www.defend.com](http://www.defend.com).
