

# The **Proof** is in the **Numbers**

# 37%

Reduced Treatment Time\*

# 7

Fewer Patient Visits\*

Your all-inclusive solution with customized brackets, wires and placement trays

### Visualize, Plan and Achieve Your Ideal Finish

Insignia™ Approver™ software can be used to apply a higher level of design into your patient's treatment and display the virtual end-result.

### 37% Reduced Treatment Time\*

Independent data concludes torque-specific Insignia customized brackets and wires reduce treatment time and office visits compared to conventional appliance treatment.

### Grow Your Practice with Digital Technology

Differentiate your practice with a high tech treatment solution for patients seeking faster treatment and fewer office visits.

### No Inventory Costs

Insignia cases are manufactured per patient and shipped in inventory-conscious packaging. Bundle Insignia with **Lythos™ Digital Impressions** for greater savings and a more streamlined workflow.
