What do you believe would make you a deserving winner of the Eugene L. Gottlieb JCO Student of the Year award? Please include any information you believe is relevant, including but not limited to academic achievement, community service, personal background, and professional goals (maximum 500 words).

Do not submit your materials yourself. Give this completed form to your department representative, along with:

- A letter of recommendation from your faculty adviser or other faculty member.
- A second letter of recommendation from any other source.

All materials must be in digital format. Your department must submit before **4 p.m. Mountain Time on November 4, 2022**. We will notify your department if the submission is incomplete, but all materials must be submitted by the deadline. Any submissions that are still incomplete after the deadline will not be considered.
